#### OBJECTIVES AND ACTIVITIES

##### Objectives and Activities

In Glasgow East Women's Aid, we operate from a feminist standpoint. Our ultimate aim is the eradication of all forms of gender-based violence towards women and children and the structures that perpetuate them.

The objectives are as follows:-

"To offer support, information, advice, guidance, legal assistance and advocacy to women, children and young people who have suffered domestic abuse.

"To provide temporary refuge to women, children and young people where there has been abuse (emotional/physical/sexual/financial/psychological) in a domestic setting.

"To raise awareness on the issue of domestic abuse and influence the policy and practice of government agencies.

"To undertake an organisation development programme, which will support the overall aims and organisational objectives?"

The organisation is made up of a collective management structure with a Board of Directors, but each trustee has their own specific remit, and the staff team are comprised of the following:

The main funding covers salaries for staff and running costs for the core service which include the Crisis Drop-In Service and Supported Accommodation costs in relation to our refuge, Children and Young Persons work and all other Training and Advocacy services.

Particularly over the festive period GEWA. receives many gestures of kindness on an ongoing basis from Cash for Kids, Celtic Football Club, St Benedict's Church, and Café Vanda.

This year we would also like to acknowledge: La Rocha Rumba, St Claire's Church, Penumbra, Father Ness, McVities, Atlas, Scot Pierce Flynn, Eric Dominy, St Mungo's Academy and Peebles Media Group without their generosity we would have been unable to provide extra special food, toys and events for the women, children, and young people who use our service.
